EXAMINER'S AMENDMENT

- An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

- Authorization for this examiner's amendment was given in a telephone interview with Applicants' Representative, Timothy P. Cremen, on 01/05/2006.

- In the CLAIMS APPENDIX from pages 19 to 26 of the Appeal Brief filed on 10/21/2005, please:

CANCEL claims 34-39.

REASONS FOR ALLOWANCE

- The following is an examiner's statement of reasons for allowance:

The difference between prior art of records and the claimed invention is the "false" clause. As indicated in page 15, lines 12-16, of Appeal Brief, *the presence of a "false" clause in query would, by definition, prevent any records from ever being displayed in the result table. Thus, the result set obtained by the user of a "false" clause is source table independent, in contrast to the result set obtained by Query Q12 of prior art.* The "false" clause, by definition, is in the form "WHERE 1 = -1" as specified in page 12, line 23, of the Specification, and also indicated by applicants in the REMARK filed on 01/21/05 (page 14, lines 14-15).

Art Unit: 2168

- Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
